

INSPIRE | Student Work Exhibition Proposals

Art Room presents six exhibitions annually through creative curatorial practices. We support local, regional, and national emerging and mid-career artists and curators. Through call for entries, proposals, and student work, we connect the community to contemporary art from diverse cultures and mediums.

All Art Room student work solo/group shows receive the following:

- Opening reception
- Email & Social Media Marketing

We welcome proposals from individual student artists, as well as student groups who wish to show solo and/or group exhibitions. Student Work Exhibition Proposals will be accepted and scheduled on a rolling basis and as our exhibition schedule allows. All mediums are appreciated.

To be considered for exhibition at Art Room, please submit the following documents in a single PDF to Art Room Program Director Deedra Baker at dbaker@artroom.space:
